Discover the secret Joshua gave the  
Israelites for prosperity and success.  
The Israelites finally had land and the

The coastal and archipelago areas in the Baltic Sea are popular destinations for a number of tourists. An important

group of tourists is boaters, who visit the coastal areas during a short summer period. Boat owners are sometimes pictured as having a great interest for the nature and a willingness to do right. Pollution from pleasure boats such as discharges of oil and fuel, antifouling paints and
