The contemporary study of World History in the United States grew out of the political upheaval of the 1970s and marks an alternative to the previously Euro-centric approach to history education. Earning an online History Degree, students learn not only to look at Ancient History, Native American History, American History, and European History in isolation, but to consider them comparatively, and explore how they inform world history patterns of interaction.

World History: Cultures, States, and Societies to 1500 offers a comprehensive introduction to the history of humankind from prehistory to 1500. Authored by six USG faculty members with advance degrees in History, this textbook offers up-to-date original scholarship. It covers such cultures, states, and societies as Ancient Mesopotamia, Ancient Israel, Dynastic Egypt, India's Classical Age, the Dynasties of China, Archaic Greece, the Roman Empire, Islam, Medieval Africa, the Americas, and the Khanates of Central Asia. It includes 350 high-quality images and maps, chronologies, and learning questions to help guide student learning. Its digital nature allows students to follow links to applicable sources and videos, expanding their educational experience beyond the textbook. It provides a new and free alternative to traditional textbooks, making World History an invaluable resource in our modern age of technology and advancement.

This product represents a complete resource package for the new GCSE specifications. Accompanying the student book, this resource pack has been specifically developed to match the AQA Modern World GCSE specification. The pack features practical advice and ready-to-use copymasters that aim to provide detailed assessment guidance; differentiated support for all ability levels; a breakdown of different types of questions in the written examination papers at two levels; and coverage of content options within each question type.

Provide complete support for your GCSE Modern World History candidates with best-selling books and digital resources from an author you can really trust. GCSE Modern World History is the leading textbook for GCSE and IGCSE Modern World History courses. The core content of the Modern World History specifications is comprehensively covered through lucid explanation and carefully selected source material. The most popular option units and depth studies are covered in sufficient detail to make separate purchase of topic books unnecessary. Questions, activities and Focus Tasks are provided throughout to: - deepen understanding of the content - develop evaluative and investigative skills - help students become more independent learners - support exam preparation. This Teacher's Resource Book includes structured support for every major task in the Student's Book. This book is also available as an enhanced eLearning Edition on CD which offers every element of the Student's Book for use on interactive whiteboards and school networks. 1 The First World War 9780719579738 2 The USSR, Germany and the USA between the Wars 9780719579745 3 Co-operation and Conflict 1919-1945 9780719579721 4 International Relations 1945-1990 9780719579752

A world history textbook chronicling the rise of Western and Eastern civilizations. Includes photos, art, illustrated charts, vocabulary exercises, and review questions.

An AQA specific edition of the best selling textbook for GCSE Modern World History. It comprehensively covers the new specification for 2009 onwards and provides a winning combination that will meet the needs of all students. - clear, engaging and provocative author text which brings the period to life and summarises complicated history clearly without being simplistic. - Focus Tasks which steadily deepen students' understanding of the content (exactly targeting each Key Issue of the AQA specification) while progressively building their history skills. - original and relevant source material - written and visual - all of which is used for historical investigation not just for illustration. - state-of-the-art ICT support in the form of a Dynamic Learning network CD ROM from an author who leads the field in developing the use of ICT to help refine students historical thinking. - authoritative interpretation of the AQA specification by an experienced examiner, trainer and teacher. - associated revision book in full colour. In its first and second editions this book has provided students with what they need to achieve top grades; and provided teachers with what they need to teach a rewarding and worthwhile course. A winning combination - don't settle for less.

A Companion to World History presents over 30 essays from an international group of historians that both identify continuing areas of contention, disagreement, and divergence in world and global history, and point to directions for further debate. Features a diverse cast of contributors that include established world historians and emerging scholars Explores a wide range of topics and themes, including and the practice of world history, key ideas of world historians, the teaching of world history and how it has drawn upon and challenged "traditional" teaching approaches, and global approaches to writing world history Places an emphasis on non-Anglophone approaches to the topic Considers issues of both scholarship and pedagogy on a transnational, interregional, and world/global scale
