This invaluable book offers the student of literature detailed advice on the entire process of critical essay writing, from first facing the question right through to producing a fair copy for final submission to the teacher.

"The main goal of this book is to provide students with a set of robust, integrated critical concepts and processes that will allow to them think through a topic and then write about it, and to do so in a way that is built on, and permeated by, substantive critical thinking"--

The ability to write a critical essay is an essential skill for every student to learn. Learning how to write the critical essay begins in secondary education, but it doesn't stop there. The critical essay is a specific style of essay that analyzes and interprets the author's purpose, intent, theme, or thesis of a specific body of work. Learning how to write a proper critical essay is crucial for being able to enhance, practice, and apply critical thinking skills. This book will teach students and learners of any age how to write a critical essay. It will take an introductory approach and assume that the reader has never written a critical essay before. This book will teach students: * What a critical essay is* The basic structure to a critical essay* How to organize a critical essay* How to write a critical essay While a person or student may excel at critical thinking skills, it can be difficult to organize those thoughts into a coherent essay that clearly communicates the writer's ideas and interpretations of the text. Learn the basics and transform your writing into proficient communication and analysis.

Reading critically, and writing using critical techniques, are crucial skills you need to apply to your academic work. If you need to engage with published (or unpublished) literature such as essays, dissertations or theses, research papers or oral presentations, this proven guide helps you develop a reflective and advanced critical approach to your research and writing. New to this edition: Two new chapters on basic and advanced writing skills More advice on self-bias and perception Updates and additional examples throughout Updated online resources providing additional support. A Companion Website provides additional resources to help you apply the critical techniques you learn. From templates and checklists, access to SAGE journal articles and additional case studies, these free resources will make sure you successfully master advanced critical skills.
