The Music Tech Series Teacher's Manual incorporates all three of the books in the series (Composing Music with Notation, Playing Keyboard and Sequencing and Music Production). A Teacher's CD containing additional files not found in the Student CDs is included. The Teacher's Manual provides lesson ideas (suggestions that you can reference as you teach each page of the Student Books), assessment possibilities, and extension activities (additional activities you can consider to extend the lesson). The comb binding creates a lay-flat book that is perfect for study and performance.

In this volume, which contains six suites and seven supplementary pieces for intermediate to advanced level pianists, Judith Schneider has provided detailed biographical and historical information about the pieces, as well as suggestions to achieve a proper interpretation of these works. Bach's table of ornaments is also discussed. This volume beautifully prepares students to perform Bach's more advanced English Suites.
