The last one to fall... Sam Reed is the only brother in the Reed family who hasn't fallen head over heels in love. He has a promising contract to play professional football, but something is missing. Sam likes to watch cooking shows, snuggle on the couch, and he wants someone to do it with him. But with his go-getter lifestyle, it's almost impossible to find the time to get to know one woman. That is, until he meets the one who makes him want to change his whole life. A fake name and a world of hurt... When Peck was twelve, she was called by a different name, lived with a different family, and had no prospects whatsoever. But now she finds herself the drummer in an all-girl band, makes more money than she ever dreamed possible, and she's content. Until the day her birth mother shows back up. Fame. Fortune. Stardom. Adoration. Neither of them wants it. They both have it. But can they have more?

He knows the value of life. She's still learning. What would you do if you had one last moment to say goodbye? Would you take it?

Boy meets girl. Boy falls in love with girl. Girl falls in love with boy... SCREECH! No. It can't be that easy. (You knew that, right?) Boy meets girl. Boy can't fall in love with girl. She also has secrets. He'll try to uncover all her secrets. But in doing so, he'll have to remove all the walls she hides behind. Leave her bare and aching. And what happens then? Girl meets boy. Girl falls in love with boy. Boy can't love her back.

He has watched her from afar... Paul Reed has been raising children since he was a child himself, but he wouldn't change his life, even if given an opportunity. That is, until one of his brothers says four little words that shake the foundation of his world. "She's not a lesbian," shouldn't be quite so earth shattering, but suddenly the woman he loves is available, and he'll do whatever it takes to win her over. They call her Friday, and she's hiding more than just her name... Friday has worked in the Reeds' tattoo parlor for four years. She's become more than just an employee, and she loves being in the middle of something so wonderful. She treasures the way the Reeds live for one another, and she adores the way they take care of their family. She would do just about anything to be part of it, if not for the fact that she doesn't deserve a family of her own. Or does she? Friday is punishing herself for her past, and by doing so, she pushes away the one man who could truly love...
